Vision
We have responsibility to educate medical students to meet the primary & specialty health care needs of the region by providing highly skilled, cost effective, patient centered care in a variety of settings.
Mission
1. To provide the finest education to the medical students, to deliver quality health care to all sections of society.
2. To develop as a regionally recognized leader in education through innovation & excellence.
3. To provide the community with a diverse cadre of highly trained professionals capable of performing in a wide variety of clinical settings.
4. Faculty & graduates will contribute to the community by being active in social & health-care endeavors that promote the health & well being of the community.
