1. Name of Program: Workshop on Professional Ethics Workshop
2. Program Incharge: Dr SP Wadgaonkar
3. Venue: College Council Hall
4. Speaker: Dr A.W. Patil
5. Dates of Training programs undertaken: 05.10.2022
6. Objectives of Program
 - a. To describe framework for building culture of ethical behavior in medical teaching and research as professional
 - b. To list and explain practical ethical tools at work place.
7. Summary of Activities of the program:
8. The workshop was mainly interactive and lively with involvement of participant of mixed nature i.e postgraduate student, young teachers as well as teacher with good amount of teaching experience. The session begins with sharing experience of participant in specific scenarios given by the speaker as group task and asked to identify ethical challenges faced by the participants. Other group task was on ethical practices at work place may it be lab, OPD, Operation theatre or office. Varieties of responses were provided by the participants. The speaker summarises the key issues which should be used while developing a framework for creating ethical culture and professional practices adopted at workplace.

2. Program Incharge: Dr. A.N.Borde
3. Venue: College Council Hall
4. Speaker: Mr Sunil Patil,
5. Dates of Training programs undertaken: 15.12.2022
6. Objectives of Program:
 - a. To list the statistical function applicable to research and academic outcome analysis
 - b. To develop template for research and academic outcome analysis using of MS office excel
7. Summary of Activities of the program:
8. The speaker commences training program highlighting relevant statistical function frequently used for mean, mode, median, standard deviation, correlation co-efficient, P-value, normal distribution curve and mapping of course and program outcome. After brief introduction of statistical terms and appropriate application for analysis of data, he gave demonstration to calculate statistical values form the set of data using built in function using excel sheet in a simplified manner describing steps for analysis. The session was followed with problem solving task given to each participant to calculate atleast one statistical function. The session was concluded with appreciation to speaker for his lucid way of presentation by the participant..

Workshop on “How to develop and use of professionalism mini clinical evaluation exercise [P-MEX] for clinical rotation of UG and PG students”

1. Program Incharge: Dr. Nitin Kulkarni
2. Venue: College Council Hall
3. Speaker: Dr RC Sharma, Dr Shahin Kazi, Dr Pranjali Shine
4. Dates of Training programs undertaken: 18.09.2022
5. Objectives of Program:
 - a. To list the outcomes of medical attributes measurable by P-Mex during clinical rotation of MBBS and MD/MS students
 - b. To develop template in different discipline for **use of professionalism mini clinical evaluation exercise [P-MEX] for clinical rotation of UG and PG students**
 - c. To use P-MEX as measuring tool to evaluate attainment of medical attributes
6. Summary of Activities of the program:
7. The speaker commences training program highlighting importance of P-MEX as measuring tool of outcomes of medical attributes relevant to professionalism and clinical skill during clinical rotation during their curricular training in different disciplines. Dr Shahin Kazi gave a brief overview of measurable outcomes to be evaluated for professionalism during clinical posting of MBBS/MD students in different subjects prescribed in CBME curriculum. Dr R.C. Sharma presented an example template and explained the methods to develop P-MEX. A group task was given to 5 groups with given clinical scenario of different discipline. The participants of each group were asked to present the P-MEX for review of peers. A vibrant proactive discussion was observed. Dr Pranjali Shinde enumerated the ways of feasibility of implementation of P-MEX for assessment of professionalism during clinical posting. Feedback of the participating faculty was encouraging. It was suggested that similar workshop be organized for all the faculty in small groups to reinforce the concept and frequent use of P-MEX for professionalism evaluation.
8. Supporting staff: Mr. Bothikar, Dr Hemant Makone, Mr. Rakesh Kakuste, Mr. Akil Sheikh,

Training Workshop on “Introduction to newer tools of Assessment in Clinical learning training outcomes”

- 1 Program Incharge: Dr. Nitin Kulkarni
- 2 Venue: College Council Hall
- 3 Speaker: Dr A.W. Patil, Dr RC Sharma,
- 4 Dates of Training programs undertaken: 08.10. 2022
- 5 Objectives of Program:
 - a. To Overview of advancement in Assessment tools to evaluation of attainment of competencies prescribed in CBME curriculum implemented in 2019.
 - b. To introduced newer methods of assessment tools to measure attainment of medical attribute with reference to CBME curriculum.
- 6 Summary of Activities of the program:
- 7 The worksop was conducted in lecture mode due to registration of large number of participants. The MEU Co-ordinator Dr A.W.Patil welcome all the partipants and appreciated their enthuasism of participation. He gave a overview of existing used assessment tools and emphasized the need to think out of box to develop newer assessment tool highlighting the levels of domain to be assessed in CBME curriculum. He also requested participants to review the learning objectives in manner so that it can be measured using newer assessment tools. He also reviewed the characteristics of measurable assessment tools which can be fessible with existing training environment and should be able to evaluate attainment. Another Speaker Dr R.C.Sharma continued the session after tea break and ennumerate the newer methods to measure the attainment of medical attributes. Dr R.C.Sharma also present how to develop “Clinical encounter Cards [CEC]”, “P-MEX”, “Chart stimulated Recall Oral examination”, “liker scale for Direct observation of procedural skills”, and “check list for Use of clinical work sampling [CWS]” . He also presented tempalate as example of these newer methods as an example for the participants. Group task session was replaced with open house “question answer session” to fill the gaps attributed to limited experience to newer methods implementation process. The workshop session was concluded with feedback session. Post test submitted by few participant demonstrated improvement over pretest. Workshop was concluded with vote of thanks to speakers, supporting staff and enthuasim of participants.

8. Number of participants: 26
9. Supporting staff: Mr. Akil Sheikh, Vilas Patil, Mr. Suryakant Thakre

Ref. No. ACPM/IQAC/2022

Date : 04.11.2022

Workshop on hands-on training for non-teaching staff

1. Name of Program: Training workshop on ERP and LMS Data Entry and Generation of Built-in Report
2. Program Incharge: Dr R.C.Sharma
3. Venue: College Council
4. Resource Person : Vishal Shinde
5. Dates of programs undertaken: 04.11.2022
6. Objectives of Program
 - a. Introduction of operational features of Each Module
 - b. Operation steps of each Module
 - c. Steps for generating Report
 - d. Upload of Resources, Circulars etc on LMS
7. Summary of Activities of the program:
8. The session commences with interactions with participants to get review about their acquaintance with features of different module and difficulties encounter by them. The speaker suggested that users of module may communicate the difficulty to him, who is ERP admin also. The speaker highlighting solutions to the difficulties in stepwise manner and stressed the need to use the module frequently. One of the issue was raised about customization but the speaker suggested that issues being out scope of learning objective, hence will be dealt separately. The speaker presented the process of “generating report of each module” in simple and stepwise manner and requested the members to make SOP of their module for future reference and for information to others. Another objectives of uploading of learning resources on learning management system was also explained by the speaker to provide assistance to teaching faculty to keep their LMS updated. The session continued with hands on training in computer centre. After a short break, all participants were assign the task to be performed within 10 minutes. The session was open to discussion about the challenges faced by the participants. The group leaders and resources including program incharge assisted the participants to resolve the issues. The session was concluded with vote of thanks to supporting staff and resources and program incharge. Formal feedback was not taken due to shortage of time.
9. Number of participants: 26
10. Supporting staff: Mr. Akil Sheikh, , Mr. Suryakant Thakre

Ref. No. ACPM/IQAC/2023

Date : 20.05.2022

Workshop on hands-on training for non-teaching staff

1. Name of Program: Basic Computer skill training part-2
2. Program Incharge: Dr R.C.Sharma
3. Venue: Computer Center
4. Resource Person : Akil Sheikh
5. Dates of programs undertaken: 20.05.2023
6. Objectives of Program
 - a. Evaluation of enhancement of basic skill attainment
 - b. Attainment of computer skill to address the challenges during data entry
 - c. How to create personal Email and search old received/sent Mail
7. Summary of Activities of the program:

The session commences with brief summary of learning objective about the program. Group tasks aligning objectives were given to each participant primarily to analyse the level of attainment. All participant were given 30 minutes to complete task. Each participant was interact for challenges, he/she, came across while completing the task. The solutions were provided by resource person. The next session was ERP data analysis. The participants were ask to generate different reports built in ERP Software. The suggestions were sought for customization in ERP software. The session was followed by feedback google form preparation session. The participants were asked to create their e-mail ID on rediffmail.com or gmail.com and prepare google form using a set of 5 questions as single answer choice, short answer, and multiple check box and generate google form as link and were asked to share the link via e-mail to other participants. During end of session, google form link was provided to all the participants was obtained and analysed for assess the level of attainment of skill. The Attainment of intended objectives were excellent except 4 participants out of 34.
8. Number of participants: 34
9. Supporting staff: Mr. Akil Sheikh, Vilas Patil, Mr. Suryakant Thakre
