Dear Mr Shaikh

Intercollegiate MRCS Part A International September 2022

Result for Part A = Pass

I am pleased to inform you that you have been successful in the above examination.

Maximum possible score overall: 297

Overall score required to pass: 199

Your overall score: 210

Exam Paper		Max. possible score	Your score	Average of all candidates' scores
ABS paper	Overall (entire ABS paper)	179	134	
	Content Area			
	Anatomy	74	54	45.08
	Physiology + Pharmacology	55	43	35.94
	Pathology + Microbiology	47	36	27.90
PoSG paper	Overall (entire PoSG paper)	118	76	
	Content Area			
	Common surgical conditions	55	32	34.22
	Perioperative management	32	24	20.76
	Trauma	22	17	15.72

Candidates have been provided with an indication of their overall performance in both the ABS and PoSG papers in addition to the main content areas. Candidates should note that no feedback has been provided on the content areas of imaging, data interpretation and audit, medico-legal aspects of surgical practice and surgical care of children as the relatively low number of questions in these areas make it difficult to provide meaningful feedback.

Please note that the number of questions in the examination and the overall level of difficulty of the questions may vary slightly between each diet of the examination. To maintain a common standard, the score required to pass is adjusted to take account of these variable factors.

To achieve a pass in Part A you are required to demonstrate a minimum level of competence in each of the two papers in addition to achieving or exceeding the pass mark set for the combined total mark for Part A. An explanation of the feedback descriptors for the range in which you performed can be found on page 26 in the MRCS Candidate Guide on the Intercollegiate website: - <https://www.intercollegiatemrcsexams.org.uk/mrcs/candidate-guidance/>

No further breakdown of marks is available.
