8. Summary of Activities of the program:

The event started with Online access of delegates at 13:30 PM. At 14:00 Hours the ceremonial curtain raising was completed by the chief patron Dr Mamta Shailendra Patil.

The Session stated by Dr Prashant Solanki gave a brief introduction of all the four speakers with the summary of Medicolegal Negligence definitions and clauses as per Indian Judicial standards. Dr R Bangal started with a classification of common medical negligence allegations and the steps to prevent them in Surgical and non-surgical specialties with a focus on preventive measures that need to be adopted and implemented from the grassroots level to the apex in a healthcare setup.

Dr Sandeep Kadu, was the next speaker who discussed the importance of medical documentation

📍 Sakri Road, Dhule - 424001 (Maharashtra)

📞 Ph.No.: 02562 - 276317,18,19 Mob. 8686585839

and the broad outlines of the need to provide a standardization in their formulation and issue. He discussed the WHO recommended Medical Certificate for Cause of Death, which is mandated as the uniform and singular documentary format that is used in the country for medical record purposes as well as its importance in epidemiological data of the country.

Dr Somshekhar Sharma outlined the common mistakes made by RMP's in preparing medical documents and the legality behind the same. He discussed the standardized manner in which all medical documentation must be prepared as well as a special focus on the commonly used Sickness and Fitness certificates.

Dr Manjula KH discussed the examination required and practices involved prior to declaring death in the context of regulatory and mandatory objectives that need to be met. The talk was focused on the criteria which needs to be adopted as a standard operating protocol in cases of Somatic/ Clinical or brain death cases. The discussion was further enhanced with a audio visual resource dissemination detailing the Harvard Criteria for Brain death.

The last session was followed with summary of all the deliberation as take-home message for participants by Dr R.C. Sharma and possible implementation of the guidelines for making "SOP" for improvement of quality and assessment of attainment of skill attributes.

Dr Desai, Assistant Dean of VIMS, Gajraula, Amroha, UP extended gratitude to speakers for lucid, simplified presentation of practical skills for the participants. There were number of questions were addressed by speakers. Dr Desai also presented vote of thanks as token of respect to speakers and patients listening and active participation. All the participants were requested to give their feedback through google link displayed.

NEEDED THIS TYPE OF WORKSHOP IN REGULAR INTERVALS

Very nice program

Please try to arrange the sessions during Sunday, it would be more feasible for us to attend.

It is a great initiative

Good initiative

More such sessions on biannual or quarterly basis

Everything is fantastic

It was best

Over all good

Nothing

Audio visuals can be worked upon

Audio quality

Session is very good and we gained more knowledges thanks for the session.

participants who join little late due to justifiable reasons should be allowed

wonderful session

To start ontime and give instructions to all participants to mute the audio.

No any

Every thing is Good

Keep updating us regularly, Thanks

Good session

IT WAS GOOD PRESENTATION

Provide study material

It was nice discussion.

It was an informative session.

It was good. Need more webinars like this to improve our knowledge about medicolegal issues in medical field

Good and useful session

It was a good session with practical application.

PPT should be send to participants for future reference, if possible

Keep such more Conference Webinars

It was a good session, from this session we get a good knowledge on medicolegal issue in clinical practice.

It's good to conduct a cme on this forensic medicine day.is it possible to schedule future online cmes after the working hours or after 4 pm, so that everyone can participate without interruption

Nice session, informative and flawless

Use zoom paid version online platform for smooth conduct of CME

Rajendar Sir's talk was excellent, it would have been more productive if it was on PPT with slides. Nice sessions..👍👍

Practical aspects are beautifully explained

Great handling of an event

More sessions would be added, especially the difficulties faced by RMP in examination of victims of rape., Overall the sessions were good

Very informative and covered wide ranging problems those may be encountered by RMP in his day to day practice. IF CONSENTED, SHARE PPTs.

PANEL DISCUSSION ON MEDICOLEGAL ISSUE MAY BE INCLUDED IN A SESSION INVOLVING A LAWYER AND POLICE OFFICIAL

overall good

Very informative presentation given by all the speakers

More practical application of things should be discussed

Topic should be practical oriented

Recent court verdicts against doctors should be discussed as examples for avoiding negligence cases

.

Very nice sessions, I would like to attend in offline mode next time to avoid connection issues.

Very informative presentation given by all speakers,

NS

Panel discussion

No Any Suggestion

It was good almost covered major things in fm

Good workshop

Link must accommodate bigger number of participants

More interactive session

Animated videos can be used more

Time management

Involved participants also

Add new guidelines of MLC for injury, trauma and psychological

More sessions More time

Excellent event for people like us in USA

Didn't intimate on Whatsapp

No, everything is fine

Awesome speakers in legal medicine

No words for appreciation about event, wonderful experience. Thanks to Prof. Sharma
