## **Standard Operative Procedure (SOP) of International Student Cell**

### **1. PREAMBLE**

ACPM Medical College is committed to complete development of all the students which have joined this institute. It is the sincere efforts taken by the institute to provide not only national but also international platform to the students for their development. In order to provide global opportunities institute has created International Student Cell. This cell is quiet successful in achieving the institutional goal.

### **2. OBJECTIVES**

- To make aware the students about career opportunities in overseas.
- To collect the data about online and offline courses, research activities and resident fellowship programs of various foreign universities.
- To provide academic support for preparation of such courses.
- To highlights the opportunity for short term fellowship and externship for advanced medical & surgical skills available in foreign countries.
- To sign with multiple foreign universities and hospitals for student and faculty training program.
- To make available scholarship/freeship for international university admission.

### **3. STANDARD OPERATING PROCEDURE (SOP)**

#### **a. Formation of International Student Cell:**

International Student Cell is formed by the Principle/Dean of the Institute every year. Cell consists of five members. Majority of the members are selected from senior staff. One member is selected from clerical staff and one from undergraduate students. In the cell there is chairman, member secretary
