### PROGRAM REPORT

Title of Program	Blood Donation Awareness Program
Objective of Program	Blood donation refers to a practice where people donate their blood to people so it helps them with their health problems.
Date & Duration of Program	Date : 20-01-2021 9AM to 4 PM
Program Organized by (Department/Committee/Unit)	JMF'S A.C.P.M. Medical College & A.C.P.M. Nursing College
Program in-charge	Mr. Heramb Patil
Chief guest	Dr. Mamatha Patil , Dr. B. Vijay Patil
Supporting staff member	A.C.P.M. Medical College & A.C.P.M. Nursing College
Photos (tick applicable)	Soft copy: <b>Yes</b>
Number of participants (attended Blood Donation Awareness Program )	Number of participants = 80
Brief about the Program (Activity/Event details)	It may be an illness or also an accident, nonetheless, it is important. The blood that we donate helps a person in need. It enhances their health condition and makes them overcome their critical situation. Blood donation does not simply help that specific person but also contributes to a responsible gesture towards society. Moreover, it also enhances the health of the donor. As the cell depletion allows a way for production, not new cells that freshen our body system.
